Dear Sadharmik Bothers, Sisters and Youngsters:

**JAI JINENDRA,**

I am very happy to report to you that, the Grand celebration of the Pratishtha Mahotsav during June 10 to June 19, 2005 was a great success, now we have successfully celebrated the first anniversary of the Pratishtha Mahotsav from June 15 to June 18, 2006

This outstanding center has been built with the foresight of united Jain Community, inspiration and place for all Jains and is a symbol of unity in diversity. Planning and construction of this temple was done with the deep thought of unity and togetherness of all Jains now and for our future generations. **Primary goal is unity of all Jains.** On Behalf of the Jain Center of America I sincerely thank one Sadharmik brother member and his family as construction coordinator who achieved this goal.

Many visitors have visited our Temple during and after Pratishtha Mahotsav and written many admiring comments in the Temple visitor note book of which a few are published in this souvenir. These comments from visitors all around the world reflect an example of Jain unity at our center. I urge all members to continue to be united with their open mind and heart.

On behalf of the Jain Center of America I thank all Acharyas, Bhattarakaji, Gurujis, Sadhvis, Pundits and scholars who blessed the occasion and helped us to make the Pratishtha Mahotsav a grand success.

This Souvenir will be a life long memory to all of us as it contains photos and names of the members who have participated in the Pratishtha or Bharai of Pratimajis and names all participants who have donated \$501.00 and more towards any one ritual or any one event.

On behalf of JCA Board of Trustees and Executive committee I thank all members who have generously donated for the Pratishtha Mahotsav, towards the construction of the temple and those who gave loans to JCA for timely completion of the construction. We request them to continue their generosity in the future, which will allow us to maintain this Temple in proper condition to pass our rich religious heritage to our future generations.

We are thankful to Convener, Co-Conveners, past Board of Trustees and past Executive Committee, all Committee Co-coordinators and committee members, all volunteers, without them this would not have been possible to make celebration of the Pratishtha Mahotsav a grand success.

I thank all members and their families of the Jain Center of America who has participated in the Pratishtha Mahotsav for the success.

My special thanks to C. J. Kothari who has spent unaccountable amount of time and effort to prepare this post Pratishtha Souvenir and also the great help and efforts of Ramesh V. Shah.

**The Ashtapad Tirth** crystal mountain carving is going well in India at Jaipur and anticipated completion towards end of 2007. Pratishtha Mahotsav of Ashtapad Tirth is expected to be in 2008. Our center is blessed to have an Ashtapad Tirth, a generous donation from one Sadharmik brother and his family. This is the one of a kind Ashtapad Tirth in the world. JCA is planning to invite Jains around the world to witness the **Grand Ashatapd Tirth** Pratishtha Mahotsav celebration. I am requesting all members to help the Center to make this upcoming Ashtapad Tirth Pratishtha Mahotsav successful

Temple activities are increasing and all traditions are participating well. On behalf of JCA I request all to participate actively and your help in any form will be very much appreciated.

If we have made any errors or forgotten to thank anyone we ask your forgiveness.

Nearly 400 days ago, we had the glorious Consecration Ceremonies for our temple at the Ithaca St. New York. We waited for years and years to have our own Shikharbandhi Temple, and spent years of manpower and tons of money. We were given the date of 18<sup>th</sup> June 2005 - as The Auspicious Day for Pratishtha. We planned elaborate Pratishtha Celebrations for eight days of unbelievable activities. Of course the 19<sup>th</sup> June 2005 became the very First Day for the fully functioning Dream Temple.

We had many committees to oversee various aspects of the Pratishtha Mahotsav. My co-conveners worked very hard overseeing each and every detail from all the committees, made valuable suggestions, rulings, and even involved themselves in day-to-day workings of some committees. Some members loaned us the funds necessary to enter into commitments. Indeed on behalf of our Center, I am ever so grateful to them.

In May 2004, many of us made a pilgrimage to Surat to participate in the 'Anjanshalaka' 'Pran Pratishtha' ceremony, at the end of which we greeted Suratwasi with a 'RathYatra' with "Indra Indrani" on Elephant back, through the streets of Surat. Our fifteen hundred members celebrated Nagar Pravesh in New York, with our Lords in a grand RathYatra from our 74<sup>th</sup> Street Temple to the Ithaca St. Temple. During the Pratishtha Mahotsav, we had yet another Rath Yatra adorned by our distinguished guests and over thousand members including 151 ladies carrying the Kumbh, circumscribing the Ithaca Street Temple. Hats off to our Procession Committee!

We started with Lord's Janmakalyanak celebration with Indra Indrani Ballet, at the Hindu Temple Auditorium. We had multiple Poojans and Rituals, on all the floors of the Temple during the week of Pratishtha, followed by religious discourses from our learned guests. Some evenings we had elaborate cultural programs, while some were reserved for Garba Raas. Our Swamivatsalya Committee was on over drive and provided feasts fit for the royalties, each and every morning and evening, for all the ten days.

None of the committee's role was less than others. They all performed very well. The credit for the Grand Success of the Pratishtha Mahotsav belongs to each and every member of all the committees, and to all our members for their seamless co-operation. I am grateful to you all. My heartiest thanks also extend to your family members who put up with all the inconveniences, for all those months prior to the Pratishtha.

Our distinguished guests, we were honored by your presence, and by your blessings. Thank you all very much, for coming and to make our experience so meaningful. Please excuse us for our shortcomings, they were unintentional. "MICHHAMI DUKKADAM"

*I end quoting: as aptly expressed by W. Wordsworth in his poem on 'The Daffodils'*

<b>For oft, when on my couch I lie,</b>	<b>In vacant or in pensive mood;</b>
<b>They flash upon that inward eye,</b>	<b>Which is the bliss of solitude;</b>
<b>And then my heart with pleasure fills,</b>	<b>And dances with the {daffodils }.</b>

June 10, 2006

My dear Trustees, Directors, Members of Jain Center of America, and All Aspirants --

Let the blessings from compassionate and loving hearts bring to all of you peace, prosperity and progress in all aspects of your life.

It was a pleasant experience being part from the moment of inception to unprecedented moments of Pratishthia at the Ceremony and the Installation of Images, murtis, in 2005 from June 10 to the 19<sup>th</sup> at the Temple. I admired your peaceful and loving unity in diversity and the generosity of Dr. Shah and all. This is the spirit of true Dharma.

The other day some of the young Jains came to me showing concern that the sectarian beliefs and rituals will get in the way of maintaining true Dharma and Jain unity. It is now the duty of parents to remove their fears and doubts by practicing Ahimsa and through under-standing show Anekantavad in their actions. Understanding others' needs and points of view is very essential for religious unity, which is called Anekantavada. I am sure that all of you as a team will maintain the priceless treasure of unity and will cherish it.

Jain Dharma is clarity, purity and charity. Jain Dharma is not dogma or mere rituals. It is a deeper experience of Parmatma in Atma: two sides of one coin. It is so that one can have a way of purposeful living. In the end it helps an individual to take an exit that opens an entry into truth, beauty and goodness.

Temple is a place which invites people from all walks of life, regardless of their caste, creed, post or position, to realize the feeling of brotherhood and sisterhood in the presence of the Vitarag Bhagwan.

My blessingful good wishes to all of you, also to those who were performing the ceremonies in sacred harmony, and to all who are participating for liberation from the demands of desires.

Love and Blessings,  
Chitrabhanu

Dear Sirs,

It is a matter of great pleasure that you are celebrating the first anniversary of the renovated Jain temple on June 18, 2006, at New York. I was fortunate to remain present to attend the celebration and the prestigious occasion in June 2005. Now I wish you all the best for its first anniversary and wish that more and more people will take the advantage of it for their spiritual progress. It is an unique place where all the sects of Jain community can do their "Sadhana and Aradhana."

With Best Wishes.

Prof. Rajendra Shah, Mumbai.

*When I visited your magnificent temple on the occasion of the Pratishtha Mahotsav last year, I was overwhelmed and deeply moved by its beauty, architecture, and grandeur. The layout you have used could serve as a role model for the entire Jain community not only for the fellow Jains in the United States but also for all Jains living in other parts of the world. It should serve the needs of all sects of Jainism under one umbrella and indeed represents a unique symbol of ANEKANTWAD in practice.*

*Please accept my heartiest congratulations for this great achievement and pass on my regards to all whose vision, dedication and hard work made it possible. I am sure the temple would prove to be a source of inspiration and serve as a beacon to many people for years to come.*

*Kindly accept my best wishes on the auspicious occasion of the First Anniversary of the Pratishtha and for every continuing success in the years ahead.*

## જૈન સેન્ટર ઓફ અમેરિકા - ન્યુયોર્ક

પ્રથમ વર્ષગાંઠ નિમિત્તે પ્રસ્તુત વચિાર

ડૉ. શેખરચન્દ્ર જૈન  
પ્રધાન સંપાદક - તીર્થંકર વાણી

આમ તો વર્ષોથી અમેરીકાના વ્યાપારી પાટનગર ન્યૂયોર્કમાં જૈન ધર્માવલંબિઓ માટે સેવા - પૂજા - આરાધના ભક્તિ માટે જૈન સેન્ટર અસ્તિત્વમાં હતું. વર્ષો પૂર્વે ચર્ચ ખરીદીને તેને જૈન સેન્ટરમાં ફેરવવામાં આવેલ.

અમેરીકાના જૈનોની વિશિષ્ટતા છે કે જેમ તેઓએ પોતાના દેશ ભારતને છોડીને અમેરીકામાં રોજી-રોટી વ્યાપાર માટે સાહસ કર્યું તેવી જ રીતે ભારતના જૈન સામ્રદાયિક વાડાઓને ત્યજી એક માત્ર જૈન તરીકે એકતા સાથે રહેવાનું પણ ઉત્તમ કાર્ય કર્યું. અમેરીકામાં માટે જ “જૈન મંદિરો નથી પણ” જૈન સેન્ટરો છે આ જૈન સેન્ટરમાં બધા જ ફિરકાના જૈનોની મૂર્તિ કે ઉપાશ્રય છે. પોતપોતાની રીતે દર્શન-પૂજા સ્વાધ્યાય કરે છે. ધાર્મિક પ્રસંગો જેવાકે પર્યુષણ-દશલશ્રણ, મહાવીર જયંતિ, દીવાળી જેવા પ્રસંગે સહુ ભેગા મળે છે. ધર્મારાધના ની સાથે સમૂહ ભોજન (સ્વામિવાત્સલ્ય) થી એકતા વધારે છે. તેઓ અહીં જૈન બાળકો / યુવાનોમાં જૈન સંસ્કારો પાંગરે, તેઓ પશ્ચિમનાં પ્રવાહમાં પોતાનું જૈનત્વ ના ભૂલે, સંસ્કારોથી ચ્યુત ના થાય તે માટે જૈન પાઠશાળા ચલાવે છે. પ્રવચન, વક્તૃત્વ નિબંધ, ચિત્ર સ્પર્ધા યોજે છે. ભારતથી અનેક વિદ્વાનોને આમંત્રિત કરી તેમના પ્રવચનો રાખે છે.

જૈન સેન્ટર ઓફ અમેરીકા - ન્યૂયોર્ક આ બધામાં વધુ રસ ધરાવે છે. મંદિર ખુબ જ નાના સ્થાનમાં હોવાથી ત્યાંના સંઘે વિચાર્યું કે વધતી શ્રાવક સંખ્યાને ધ્યાનમાં લઈ તેને વિશાળ રૂપે નિર્માણ કરવું. આ વિચારનો સહુએ તન-મન-ધનથી સહકાર આપવાનાં ભાવથી સ્વીકાર કર્યો. ડૉ. શાહે સવિશેષ યોગદાન આપી કાર્યને મૂર્ત સ્વરૂપ આપ્યું અને કાર્યની શરૂઆત કરી. આજે ચાર માળના વિશાળ ભવનમાં મંદિરો - ઉપાશ્રય આવેલા છે. અહીં શ્વેતાંબર મૂર્તિપૂજક, દિગંબર મૂર્તિપૂજક માટે મંદિરો, સ્થાનકવાસિઓ માટે ઉપાશ્રય, શ્રીમદ્ રાજચંદ્ર ધ્યાન કક્ષ બનાવવામાં આવ્યા છે. ઉપરાંત અષ્ટાપદની થઈ રહેલ રચના સર્વાધિક આકર્ષણનું કેન્દ્ર છે, અહીં વિશાળ સભાખંડ, ભોજનખંડ, અધ્યાપન માટે વર્ગખંડ, ગ્રંથાલય ખુબ જ સગવડતા પૂર્ણ છે.

સન ૨૦૦૫ માં થયેલ પ્રતિષ્ઠા અતિ ઉત્સાહ રીતે સમ્પન્ન થઈ. સંપીર્ણ ન્યૂયોર્કનો આ વિસ્તાર એટલો બધો જૈનત્વમય બન્યો કે લાગતું હતું કે ભારતનાં જ કોઈ શહેરમાં ઉજવણી કરી રહ્યા છીએ.

ઉત્તમ આરસના મંદિરો - તોરણો - મૂર્તિઓ ખૂબ જ પ્રભાવોત્પાદક છે. પ્રતિષ્ઠામાં શ્રાવકોએ ઈન્દ્ર-ઈન્દ્રાણી બનીને અંજનશલાકાને પૂર્ણ ભવ્યતા અને પ્રતિષ્ઠાને અનુરૂપ પૂર્ણ કરી પ્રભુને બિરાજમાન કરીને અનેરો આનંદ પ્રાપ્ત કર્યો. સૌથી ભવ્ય દૃષ્ય હતું પ્રભુના વરઘોડાનું બધે જ જૈન ધ્વજો લહેરાતા હતા. બેન્ડના સુરો, લોકોના નૃત્ય આકર્ષક હતાં લગભગ અડધો કિ. મી. નો જુલુસ કદાચ ન્યૂયોર્કનાં ઇતિહાસમાં પ્રથમ હતો.

આ પ્રસંગે લગભગ બધા સમ્રદાયનાં સાધુ-સંતો-વિદ્વાન એક જ મંચ પર પૂ. ચિત્રભાનુજી, પૂ. બંધુત્રિપુટી, પૂ. ભટ્ટારકજી, પૂ. સતીચંદનાજીની ઉપસ્થિતિમાં બિરાજમાન હતા. બધાએ પોતાના ઉદ્ભોધનમાં જૈન એકતા માટે જે વિચારો વ્યક્ત કર્યો હતા તે સ્મરણીય રહેશે. આશા છે તે એકતા સફળ થશે.

રાત્રે યોજાતા પ્રવચન અને ભાવનામાં જનસમૂહની વિશાળ ઉપસ્થિતિ તેઓના ઉત્સાહ-ધર્મભાવનાનો પ્રતિબંબિ પાળતો હતો.

જગ્યાના અભાવે તેમ કર્યું હશે. પણ હું ઇચ્છું કે જગ્યાનો અભાવ ભલે રહે પણ ક્યારેય શ્વેતાંબર/દિગંબરનો ભેદ ન થાય, એવું ન બને કે પોતપોતાના મંદિર સિવાય બીજે જાય જ નહિં. જો આમ થાય તો વર્ષોની એકતાની મહેનત ધોવાઈ જાય. તે જરૂર બધા ધ્યાનમાં રાખશે.

આ વિશાળ સેન્ટરમાં કરોડો રૂપિયા ભક્તોએ ખર્ચ કર્યો છે પણ કયાંય પોતાના નામની તક્તીની ખેવના નથી રાખી તે અનુકરણીય છે, અને આને માટે બધા જ દાનદાતાઓ ધન્યવાદને પાત્ર છે-પ્રણમ્ય છે.

પ્રતિષ્ઠા વખતે જે પણ અધૂરું કામ હતું તે લગભગ પૂર્ણ થયું હશે. ન્યૂયોર્ક સેન્ટરનાં ઉત્સાહી કાર્યકર્તાઓ / શ્રેષ્ઠિઓ અતિશીઘ્ર તે પૂર્ણ કરશે.

મને લાગ્યું હતું કે અહીં જગ્યા ભલે થોડી ઓછી હોય પણ શ્રાવકો - સાધર્મી ભાઈઓના મન ખૂબ જ મોટા છે. હું તીર્થંકર પ્રભુને-શાસનદેવને પ્રાર્થના કરું છું કે આ સેન્ટર અતિ પ્રગતિ કરે અને માત્ર ન્યૂયોર્ક કે અમેરીકાને નહિ પણ વિશ્વને એકતાનું માર્ગદર્શન કરાવે.

जिस जिनालय का निर्माण, नाम और यश से दूर, दिव्य भावनाओं से जुड़ा हो, उसका प्रतिष्ठा-समारोह दिव्यानुभूति लिए हो, तो कोई आश्चर्य नहीं। ऐसा ही अनुभव पिछले वर्ष न्यूयार्क, जैन सेंटर के प्रतिष्ठा समारोह में हुआ। श्रद्धा-पूजा संभृत पवित्र वातावरण, संत-पुरुषों और विद्वानों का सम्मिलन, श्रावक-समाज का प्रभु के प्रति भक्ति-समर्पण, पूजन-भजन-प्रवचन की रस-धारा में स्नान करते हुए भक्त-जन-सब कुछ दिव्य और भव्य था। ऐसे दिव्य पावन अवसरों पर अगर हम अपने छोटे-छोटे अहंकारों से उपर उठ जाएं तो ये क्षण शाश्वत आत्म-सुखों की झलक बन जाएं। एक वाक्य में कहूं तो इस प्रतिष्ठा-समारोह से अमेरिका की धरती पर जैन धर्म की दीर्घ हजार वर्षों के लिए सुदृढ़ हो गयी है। इसके लिए न्यूयार्क जैन-संघ को बहुत-बहुत बधाई।

# PRATISHTHA MAHOTSAV JAIN CENTER OF AMERICA NEW YORK

Jain Center of America-New York celebrated Grand Gala Pratishtha Mahotsav during June 10 to June 19, 2005, at their newly built Temple at Ithaca Street, Elmhurst, NY 11373

The new unique temple building is built at the same location of old temple to accommodate five different traditions namely Svetambar, Digambar, Sthanakvasi, and sub traditions like Shrimad Rajchandra and Dadawadi. The temple has become a symbol of "UNITY IN DIVERSITY" in its building with five floors. The Jain Center of America was the first Jain organization established in North America in the year 1965. # MAKING OF ASHTAPAD

A marble model of Shri Ashtapad (size W 14.6' X H12.7' X 5') is finally ready. We have gone through making many models over last 4 years. First model was 1' X 1' in size which was 2D- subsequently we developed 3D models and went through 3' X 3' size to 7' X 6' size to 14.6' to 12.7' X 5'.

MARBLE MODEL - FULL SIZE

Purpose of making this marble model was to establish a base line and give workers and carvers a design so that carving in crystal can be done correctly. Any mistake or carving error will create a problem in the sense it will be very difficult to replace any of the crystal blocks which are 60 in numbers.

Gokhalas in marble model has regular carving and design. We were told earlier to do Asha Pratihari design for individual Gokhala but due to carving issues, we could not do the same in the marble model.

To our help and guidance came a message unexpectedly from Muni Shri Ramya Darshan Vijayji. He saw our pamphlet, which is in circulation for last 3 to 4 years. He gave us some suggestions and brought out some mistakes in the pamphlet including errors in design and carving of stories. When we received this letter, we were glad that someone is there to guide us further in this religious under taking. Since then we had 4 marathon meetings and lot of design changes were agreed upon. This includes Asta Pratihari design for each Gokhala. This we are doing now on all 24 crystal Gokhalas. This is what is taking a toll on time and hence further delays.

Mountain work made out of these 60 crystal blocks is in progress. If you see the model at the temple upper part of model has a shape of mountain peaks. It was brought to our notice that there should be Shikhar on the top of Gokhalas i.e. on top of temple and not the mountain peaks. This is a temple and should have Shikhars and Kalash.

As the crystal blocks were all ready cut to fit our design, we had to make necessary changes in blocks to make 5 Shikhars design on the upper part of the mountain. Steel frame to hold the blocks is ready. Lower part of mountain along with the steps is already set. Carving design on steps will be done later.

In the middle part, 24 Gokhalas are scooped out in crystal blocks to make space for statues. Once this is completed, one will start carving Asta Pratihari for each Gokhala.

CRYSTAL GOKHALA

Upper part of mountain, which has a design change to (5) Shikhars is on hold at present. Collecting the stones is another major effort which should be mentioned.

Further to our surprise all our carvings for stories (which also has increased in number from 9 to 16 as we learned more) were not approved by Muni Shri. There were lot of errors religiously and anatomically as well. We went through a lengthy discussion, suggestions and corrections to finally decide on paper at least how to do our stories correctly. We have started now carving the stories in stones with guidelines established.

We are proposing a change for Pratishtha to May 2008 (Akhatrij) instead of 2007. This will give also give enough time for carving work to be completed. Now Varsi Tap can start in May 2007 and we'll have Parna in May 2008 coinciding with Pratishtha ceremonies.

JAINA has a convention in July 2007 at Raritan Center, N.J. This change will avoid overlapping of two functions.

Note

1. Collection of literature-Volume IX on Ashtapad is ready now. All volumes I to IX are available in our library.
2. If you are visiting Jaipur, you are welcome to see making of Ashtapad.
3. On 27<sup>th</sup> of May 2006, a major Launch event being hosted by Institute of Jainology at Delhi. India and United Kingdom Union Minister for Tourism and Culture Smt. Ambika Soni will preside. Hon. Prime Minister of India Dr. Manmohan Singh will launch the catalogue describing Jain Manuscripts.

1. We are planning to exhibit Ashtapad Statues there for the benefit of attendees, if permitted due to security reasons.
2. Ashtapad research tour will leave for Nepal on 28<sup>th</sup> of May for 24 days on way to Tibet and will return on 21<sup>st</sup> of June. Hope to bring some useful information on research project.

Our basic plan about Ashtapad is to visit various MUTH and meet Buddhist Monks, discuss with them and check their old books and Granths and see what we can find in them about Shri Rishabh Deo, Ashtapad and Jain religion.

A preliminary research is already underway at Dharamshala by Dr. Thomas Parmar. under guidance of Shri KumarpalBhai Desai.

Secondly we will be going around Kailash Mansarovar region and look for any evidence about the basic evidence of existence for Ashtapad.

Dear Shadharmic Brothers and Sisters,

Jai Jinendra

It has been a year since our newly constructed Derasar has made its debut, and it gives us great pleasure to bring to you this Post Pratistha Souvenir. We are honored and feel privileged that Jain Center of New York has given us the opportunity to become the editors for all Pratistha related information, which you all have received time to time.

It looked too easy when we accepted the responsibility to publish post Pratistha souvenir but became more & more challenging to compile all details for each rituals of pratistha/sthapana etc. and also to find and select best suitable 1 or 2 photo from 5000 to 6000 photos.

Our committee is very much thankful to all the participants and all of you for keeping such a good patience.

We have tried to give the best details possible, however if we have missed or hurt feeling of any one by ignorance, we beg forgiveness from bottom of our heart.

### Michhami Dukkadam.

Once again I am thankful to all who helped us for presenting this souvenir before you, specially Shri Ramesh V. Shah Committee member and a veteran of JCA, Shri Vijay H. Shah for providing Photographs, Mittal Graphics for their cooperation for printing and keeping patience in delay and many others who directly or indirectly helped us in preparing this souvenir.

I personally thank Past Chairman & Convener and Pratistha committee for giving us this opportunity to become a link between all Pratistha committees and members. I also thank present chairman to let us continue to prepare this souvenir.

Thank you

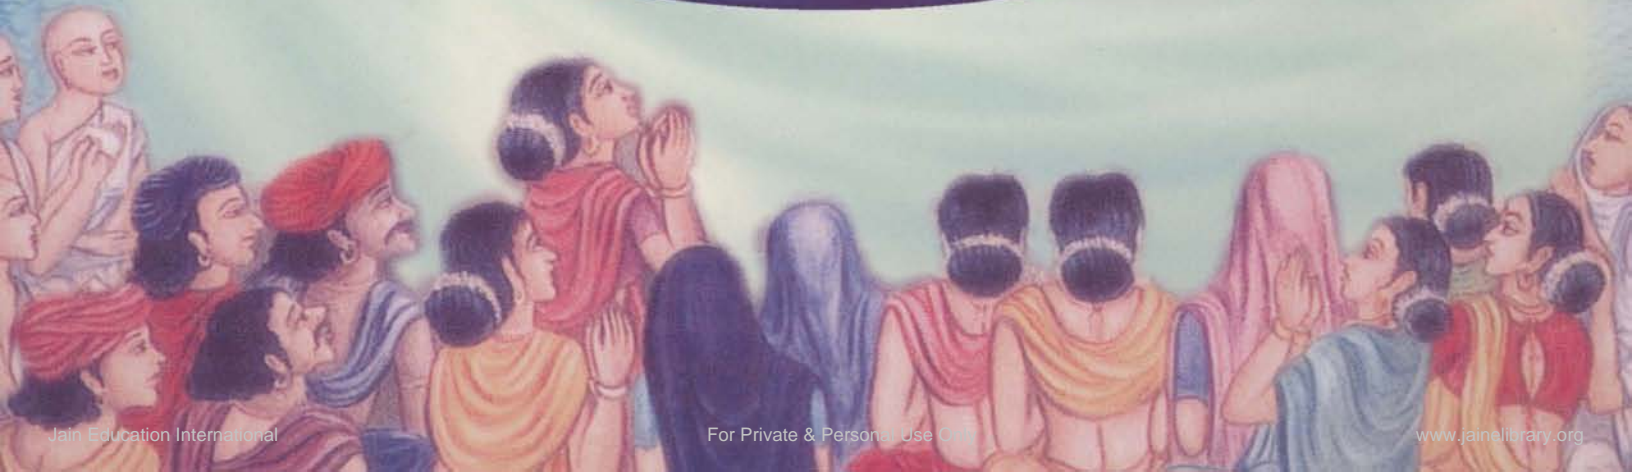

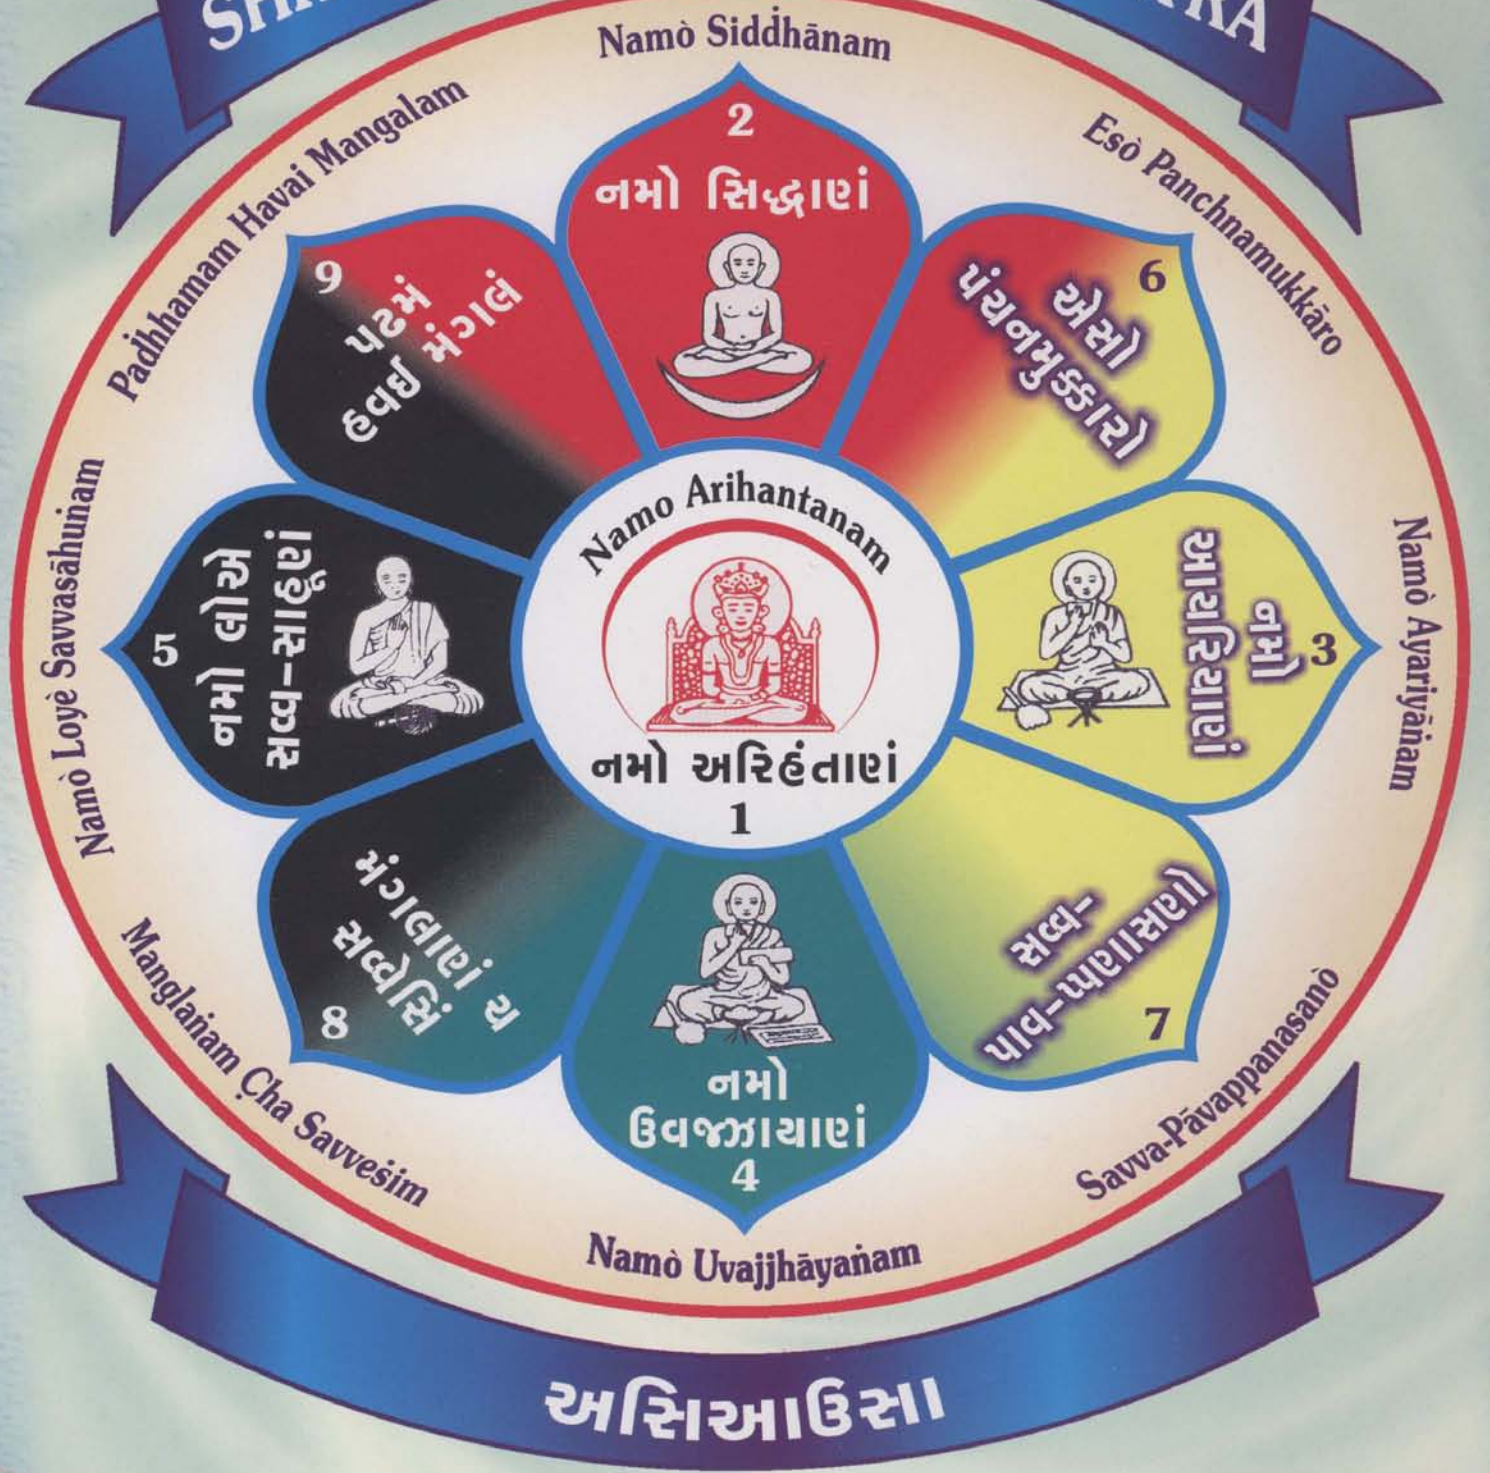

**C.J. Kothari**
