

F. B. J. KUIPER: BIBLIOGRAPHY 1967–1976

On July 7, 1977 F. B. J. Kuiper celebrates his seventieth birthday. It seems appropriate to note this day in the *Indo-Iranian Journal*, for which he has done so much since its foundation in 1955. It is a great pleasure for me to offer him the congratulations of his friends, colleagues and pupils on this occasion.

The following bibliography is a continuation of the one published in *Pratidānam* (The Hague-Paris, 1968).
